Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. For an Editor to Recommend Pat-tent Medicines?

From Sylvan Valley News, Brevard,

It may be a question whether the editor of a newspaper has the right to publicly recommend any of the various proprietary medicines which flood the market, yet as a preventive of suffering we feel it a duty to say a good word for Chamberlain's Colic, Cholera and Diarrhoea Remedy. We have known and used this medicine in our family for twenty years and have always found it reliable. In many cases a dose of this remedy would save hours of suffering while a physician is awaited. We do ball game between Alexandria and not believe in depending implicitly on any medicine for a cure, but we do bewo games were scheduled, but the lieve that if a bottle of Coamberlain's st was called in the second inning on Diarrhoea R-medy were kept on hand count of rain. The London Daily Mail has received the following dispatch from Coins: Shanghai, July 4.—The attempt to relieve the hard-pressed European garrison at Pekin has been formally abandoned. The admira's have met at Tientsin and decided that the weakness of the allied force left no other course open. This practically leaves the little band at Pekin with the women and
